A CONGREGATION ABOUT RELATIONSHIPS...

We **value our relationship** with God and seek to grow in that relationship through worship, prayer, and spending time together in God's Word, the Bible.

We **value our relationships** with one another. We desire to establish and build up strong "family-like" friendships with each other in the congregation. We do this through our fellowship, fun, and by being there for one another during the tough times of life.

We **value our relationship** with others in our community.

We diligently look for ways to serve the needs of those around us and through these opportunities, we strive to share God's love with them.
